**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose a smaller company "Sonic" as my broadband internet provider in an urban setting because they offer the best service at the best prices and continually provide the services I want, and will continue to pay for.

This is not true of other larger carriers, such as AT&T and Verizon, that do not provide the cost benefit offered by my chosen carrier. Please do all you can to ensure that smaller carriers like Sonic are allowed to continue to be competitive.

I will be materially and negatively affected if my smaller carrier Sonic, is not allowed to do business as they have been.

Sincerely

Kent Parshall
